**DaVita Kidney Care**

To whom it may concern:

The holder of this letter is a member of the Emergency Response team for DaVita Dialysis centers located in this area. He/she is responsible for assisting in critical repairs to the facility that provide life-saving dialysis treatments to patients with end stage renal disease. If these patients do not receive treatment, the result could have serious life threatening implications. The scheduling of these treatments requires this teammate to be traveling through this area during hours before and after curfew. Please allow this teammate to travel during curfew hours.

Sincerely,

**DaVita Inc.**

Dear Local Law Enforcement Partners,

\_\_\_\_\_ is a member of the medical team for a DaVita Dialysis Center located in this area. He/she is responsible for delivering supplies and dialysis delivery systems or for maintaining the facilities for end stage renal disease patients. If these patients do not receive treatment, the result could have serious life threatening implications. The scheduling of these treatments requires this teammate to be traveling through this area during hours before and after curfew and or areas affected by quarantine.

Please be advised that this business performs a critical role in providing healthcare delivery services and is authorized to travel in and outside of quarantined/restricted areas in order to deliver critical medical supplies and or health care delivery services to medical facilities.

Thank you for your commitment to assisting with the current COVID-19 situation.

Sincerely,

Senior Facility Manager

Davita Facility Team
